For Immediate Release**

## **CargoWise to Attend WESCCON 2010 Conference, Exhibit CHB Solutions**

*- ediEnterprise Solution Provides Vast Capabilities, Including Customs House Brokerage Solution -*

**Chicago, IL USA, October 7, 2010** — CargoWise®, a globally recognized technology supplier for logistics service providers, announced it will exhibit at the WESCCON 2010 conference, to be held October 21-24 at the Loews Coronado Bay Resort in San Diego, California. WESCCON is produced by the Pacific Coast Council of Customs Brokers and Freight Forwarders Association (PCC) which was established to further the interests of Pacific Coast freight forwarders and customs brokers, their customers, U.S. exporters and importers, and the entire international trade community.

CargoWise will be demonstrating the broad offerings of its flagship product, ediEnterprise, a fully integrated modular enterprise system for logistics services providers. The Company will also showcase its highly regarded U.S. Customs House Brokerage (CHB) product.

Gene Gander, Vice President Business Development for CargoWise said: “CargoWise has long been a supporter of WESCCON, and we look forward to it every year. This year has been especially exciting in the CHB market and we look forward to meeting with our customers, friends and prospects once again to demonstrate our CHB solutions. CargoWise’s ediEnterprise product is a complete technology offering that serves many types of logistics service providers across the globe; however, the single greatest interest we have seen in recent years has been within the U.S. CHB marketplace. We look forward to this year’s event as we have a large number of CHB customers participating that can share their ediEnterprise experiences with other user groups at the conference.”

### **ABOUT CARGOWISE®**

CargoWise is a globally renowned technology provider that delivers an innovative, single platform solution to improve customers’ visibility, efficiency, quality of service and profitability. It provides dynamic and efficient solutions for logistics service providers focused on effortless supply chain execution capability in an integrated globally capable enterprise system.

Every day, 2,000 logistics service providers, consisting of 50,000 users in 50 countries, move goods through the global supply chain using CargoWise's ediEnterprise system, a powerful and feature rich software solution developed to meet the ever-changing needs of the logistics industry. CargoWise offers the only single platform supply chain logistics management system that provides integration across all departments and functionality for domestic, regional and global customers. Headquartered in the U.S., Australia and in the UK, the Company operates worldwide from offices across the U.S., Europe and Asia.
